Thank you for your letter of 20 March 1963 offering further assistance relative to evaluation of the study produced by the Special Working Panel. A copy of the study, suitably modified, is being forwarded within the next week to [redacted] of your organization.

In this regard, the mechanisms for implementation of many of the recommendations are being considered jointly with other Agencies.

It is hoped that some of your people, as in the past, will continue to visit with members of my staff so that the possibilities of future developments will not be overlooked.

Sincerely,

Albert D. Wheelon
Deputy Director
